

Join us for the first ever Finnish EARLY CHILDHOOD EDUCATION -conference in English!

4.10.2019

Venue:
9am-11am Finlandia Hall and
12am-15pm National Museum of Finland

EXHIBITION:

Finnish Early Childhood Education -conference is the first event organized for English speaking professionals working in Finland.

During the morning you will have a unique opportunity to participate in the biggest Early Childhood exhibition.

Aprox. 75 exhibitor stands are available at the exhibition. In addition, there are seminars for Finnish speaking early childhood education professionals. More than 1000 participants gather together every year. The Early Childhood Education exhibition is organized by Globex.

PRESENTATIONS:

Finnish Early Childhood Education -conference continues in the afternoon with five topical presentations kept by top Finnish experts and researchers in the National Museum of Finland. The conference offers interesting presentations focusing on different aspects of the Finnish Early Childhood Education.
